Project Name: Biaadiyna - Labour intensive opportunities to support social stability and environmental protection for vulnerable communities in Saida and West Bekaa

Starting Date: March 2021

Donor: AICS

Partner(s): CESVI

Overall Objective

Contribute to contain the humanitarian and social consequences of the Syrian crisis and of the economic crisis afflicting the most vulnerable communities in the Saida and West Beqaa districts, improving their access to income and public services.

Target (audience, beneficiaries, areas)

Target Audience: Lebanese citizens, Syrian and Palestinian refugees.

Target Area(s):

1. Sarafand (Saida district)
2. AL Buhaira UOM (West Beqaa)
3. Villages involved: Bab Maraa, Kherbet Qanafar, and Sohmor

Achievements

1. Implementation of two studies about the environmental impact on CfW activities planned in Sarafand and the UoM of Qaraoun
2. Organization of Two Awareness Campaigns on Environmental and Social Stability Issues in Sarafand and the UoM of Qaraoun
3. Organization of a Community Project Implementation Competition in Sarafand and the UOM of Qaraou

Project Name: Economic Recovery For Local SMES Through a Digitized Network

Duration: 11 months

Donor: l'Agence Française de Développement (AFD)
- under the Shabake Fund

Partner(s): Arcenciel, Live Love Beirut

Overall Objective

Contributing towards the economic recovery of businesses in areas that were affected by Beirut blast by enabling small shop owners to resume their work, giving them exposure on social media through digitizing their shops and their products, in addition to contributing to the economic recovery of vulnerable individuals in the community by facilitating their purchase of goods from selected shops.

Target Audience:

- 8 NMSMEs (and their families)
- 380 Households benefit from the voucher system
- 16 Cash-for-work beneficiaries

Target Areas: Areas affected by the Beirut Blast

Achievements

01

Rehabilitation of the 8 SMEs

02

Provision of necessary equipment for the SME

03

Launch of the fundraising platform to receive donations

04

Development of the Dekken-e application for the e-vouchers

05

Distribution of around 200 e-vouchers for vulnerable families using Dekken-e

Project Name: Community Security and Access to Justice Operating a Legal aid helpdesk in Saida

Duration:

9 months

Donor: UNDP

Overall Objective

The main objective of this assignment is to enhance access to justice and improve social stability through the provision of free and quality legal aid services to the most vulnerable, disadvantaged and the Poor, whether Lebanese or foreigners alike by establishing a legal aid help desk in Saida.

Full Project Name: Youth RESOLVE: Youth Empowerment, Participation, and Advocacy for Social Stability in Lebanon

Duration: 34 months

Partner: World Vision

Target Areas: Saida, Bqosta, Mghayrieh, Barja.

Target Audience and number of beneficiaries: segregation of sex, nationalities, and ages for the beneficiaries (directly target 151,000 community members 15 through improved municipal services and social stability, including 50% females 16 , 29% children (below 18 years) 17 , 4% of People with Disabilities, as well as 704 female and male youth 18 aged 1630- years old, capacitated and interacting for the benefit of their communities (of at least 30% non-Lebanese, including Syrians and Palestinian Refugees)

Overall Objective:

To strengthen social stability among youth by empowering them to become leading actors in their communities.

Specific Objectives:

- Refugees and host communities' youth interact for the benefit of their communities
- Municipal/community decision makers implement refugee and host community youth-led propositions for change

Achievements

- In responding to COVID-19 Activities, YR2 team and the YCs in the 4 areas implemented 4 different initiatives.

Starting with the first distribution in the 4 areas, 400 Hygiene kits and 560 food kits were distributed in the 4 communities reaching out for 4,310 beneficiaries. Moving on to the second phase of distribution, we have around 6500 beneficiaries benefited from 1581 food kits in old Saida and Taamir area.

- 4 youth committees were established in each targeted area. (In total of 2025- youth in each committee).
- 10 Capacity Building sessions on Communication skills, Time management and problem solving were delivered to the YCs.

As stated by one of the youths from Mghayrieh (Jad Abdine, 22 years, Lebanese):

«This training (Communication Skills) has hugely enhanced my knowledge on communication skills, the fact that I was able to unmute my microphone on zoom for the first time and share my thoughts with others was certainly the first step in my communication journey!"

Whilst distribution took place in Bqosta, high interaction was witnessed by the beneficiaries attending to receive the food kits. One of the beneficiaries (Female, Syrian) added: "The food kit now is considered one of the priorities to receive knowing the challenging economic situation we are facing. My husband's salary now can only buy bread and milk. Thank God such organizations are thinking of us.»

2021 Volunteers Initiative

1. Our Volunteers in collaboration with the legal help desk helped a lot of people by explaining the purpose of this office and how to benefit from the service given by the lawyers, which is promoting access to justice for all people especially that all the services are given for free.
2. During Ramadan, DPNA's Volunteers raised a fundraiser from an 'iftar' at Old Saida in Bab El Saray, of which the money collected was donated to poor families that lived in the area.
3. As an initiative from the volunteers' unit, a cleaning campaign was conducted at Old Saida Garden and neighborhoods due to the strike from the cleaning workers for the deteriorating economic conditions that Lebanon is facing nowadays.

2021 Voulnteers Initiative

4. DPNA volunteers participated in the "Justice Day" that was held by the "Association of Families of Victims of the Beirut Port Explosion" of which a march for the victims of the regime at "Beirut Port" was initiated to "Mar Mikhael" to support the victimized families in their rights to claim for Justice for the martyrs.
5. DPNA volunteers participated in the training and workshops of "Human Rights" in collaboration with Adaleh Center. They raised a campaign named by Standing Together for Human Rights "Nama". is an independent specialized network that is concerned with building the capacities of young men and women defenders of human rights the Middle East and North Africa and is based on the principles of human rights. The International Bill of Human Rights and other relevant international conventions, and the provisions of the Universal Declaration of Human Rights, recognize that the practice of violation against human rights and defenders and Its defenders are an ongoing problem that affects their human dignity and hinders their work. The network has made it a responsibility to make every possible effort to protect human rights.

2021 Voulnteers Initiative

6. DPNA in collaboration with Adyan Foundation has delivered an awareness session for the youth volunteers to educate Lebanese youth about politics and motivate them to participate in it on a nonsectarian basis, the “Political Participation of Youth in Elections” project comes to motivate the largest possible number of young people to participate in the upcoming parliamentary elections in 2022 as voters or as candidates.
7. This initiative took place on 29/08/2021 in which volunteers have participated in the Saida Cleanup Event in collaboration with Live Love Lebanon in which DPNA volunteers implemented a sorting and awareness campaign for the people living in Saida, Ghazieh, and Tyre. Also, a certificate of participation was provided as an award of participation.

2021 Voulnteers Initiative

9. DPNA in collaboration with Peace First conducted training that targeted young people (1325-) to create and lead projects on their own that address injustice in their community through collaborative leadership. The training provided mini-grants for youth lead projects to support community issues.
10. This initiative took place at Saida Governmental Hospital in the covid-19 response of which the volunteers aided in the organizational process to help the elderly and pedestrians to fill out the Lebanese COVAX online survey for people with disabilities and elderly. This initiative enabled DPNA staff and volunteers for monotonous campaigns and emergency assistance across Saida district which met an unexpected turn of vaccinated people to come through and take the vaccine.
11. Under the initiative of the Municipality of Beirut and in partnership with the civil society, the volunteer's unit participated in the cleaning campaign at the heart of Beirut.
